

## APPLICATIONS

Use our convenient applications as in-store enrollment forms for instant issue. Available with your choice of any one of our cards, key tags, Family Paks™ or Short Paks™

Our Applications are ideal for a business that wants to start a new customer loyalty program.

Our applications combine all of the benefits of our other products with enrollment form attached. Your logo and message is printed in brilliant color. Our super tough lamination does not crack or peel, unlike PVC. So our cards and key tags last for years. The bar code, protected under lamination has an excellent first time scan rate.

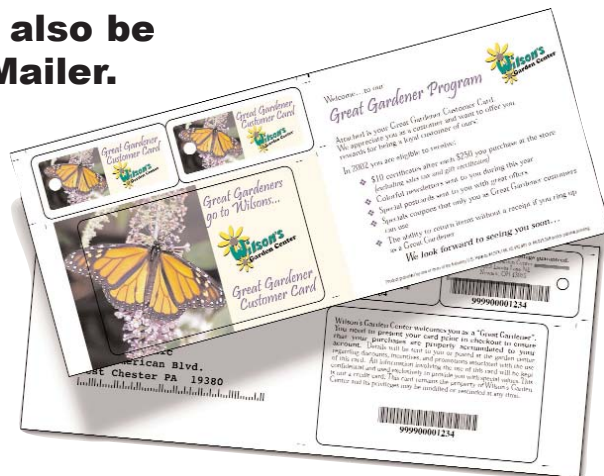

## APPLICATIONS

- 100% Data Integrity
- Fast turn around
- Variable Data in multiple languages
