

Accepted Files

If you don't have a file or format listed below, please call **800.323.7432** so we can find a solution.

Program	Platform	Version
Quark Xpress	Macintosh	7.0 or lower
Adobe Illustrator	Macintosh or PC	CS3 (creative suite) (Please convert all text to outlines)
Adobe Photoshop	Macintosh or PC	CS3 (creative suite)
Adobe InDesign	Macintosh or PC	CS3 (creative suite)
Freehand	Macintosh	10.0 or lower
Corel Draw	Macintosh	(File must be exported as an AI File)

When sending photo files, please save in one of the following formats.
For optimum print quality, please make sure your images are at least 300 dpi.
Lower resolutions will result in poor print quality.

TIFF (A TIFF will result in the best quality artwork for scanned images.)
JPG (use best quality setting)
EPS
